

Dear Sir or Madam,

The European Roma Information Office (ERIO), Municipality of Koprivnica, Zukunftsbau GmbH, European Neighbours, Kulturverein Österreichischer Roma, FormAzione Co&So Network, University Stefan cel Mare of Suceava, Tolerance and Mutual Aid Foundation invite you to attend the **final conference of our project ERNE “European Roma Integration good practice exchange and policy network”** which will be held on **1 October 2014** from 09:00-16:15 in the European Economic and Social Committee (EESC), 74, rue de Trèves, Trèves building (room TRE 7701 - 7th floor), 1040 Brussels.

This will be a closing conference of a two-year project funded by the Lifelong Learning Programme KA1.

The ERNE project (www.erne-project.eu) is a contribution to the implementation of the National Roma Inclusion Strategies and aims to maximise chances of success for Roma integration. This is done through an exchange of experiences and of best practices via a network. The purpose of this network is the analysis of good practices which have been submitted by project partners. These good practices concentrate on the four most important educational areas: pre-school, school, higher and vocational education. A special focus lies on the issues of accessibility, the reduction of early school leaving, and the progression from one educational level to the next. Policy recommendation papers were produced for each of these areas with the broad involvement of the target group representatives, stakeholders and political decision-makers in a comprehensive consultation process.

The agenda will be available soon here: <http://erionet.eu/event-011014>

The conference will be held in English.
